Jeff Allen: I Can Laugh About It Now

Jeff Allen combines clean, hilarious humor like no other comedian working today. Besides performing at theaters, corporate functions, and fundraisers, he regularly appears on television, radio, and casinos across the country. Jeff Allen delivers world-class comedy.

At times both gut-wrenching and hilarious, Jeff's one-man show *I Can Laugh About It Now* offers a unique view into his crazy world.

Jeff's one-two punch is unequalled. He can have you literally holding your sides with laughter one minute, and then, just when the vessel is fully opened, he can pour in a message of a devastated marriage and broken family that brings tears to every eye. His message of how he recovered himself, his marriage, and his family is so inspiring, you'll wish you'd just taken stock in Kleenex®.

Jeff Allen is regarded as one of the premiere clean comedians working today. Most of his humor centers on marriage and living with teenagers – material to which everyone can relate. The humor he packs into his performance comes rapid-fire, and doesn't stop until the end.

Over the years, I have had the opportunity to work with many excellent entertainment professionals during our annual meetings, and this was by far our most positive experience.

We sold-out Jeff Allen comedy shows in two of our markets. Our listeners were hungry for a great night of laughter and encouragement - and Jeff fit the bill perfectly! He did an amazing job. Jeff was able to keep the audience fully engaged, and laughing, for 2 ½ hours. Looking forward to bringing him back!

We had a full house and Jeff was fantastic. The audience loved him! I've already had several requests to invite him back. A great find!
