JASON PETTY AND GAIL BLISS' MUSICAL TRIBUTE TO

**HANK  
WILLIAMS**

*and*

**PATSY  
CLINE**

No other country music legends have ever had such an impact on music and its listeners. Hank Williams and Patsy Cline individually shaped the sound of country music and transcended the boundaries that held them.

*Country Royalty* honors the memories and music of Hank and Patsy in this original musical tribute conceived by Jason Petty and Gail Bliss.

Jason Petty had the great honor of working alongside many of the Grand Ole Opry's stars while portraying Hank Williams at the Ryman Auditorium in Nashville in the acclaimed musical, *Lost Highway*. Petty's astounding likeness to Williams landed him in New York's Off-Broadway scene, where he earned an Obie Award for his portrayal of Williams. Petty has wowed audiences nationally and internationally while paying tribute to Williams' legacy.

Gail Bliss began her journey with Patsy Cline when she was selected (over 600 other applicants) to originate the role of Patsy Cline in the first national tour of "A Closer Walk with Patsy Cline." Gail's portrayal of Patsy Cline was and still is a hit. So much so that Patsy Cline's husband, Charlie Dick, who came to see the show on several occasions, touted Gail as "the best I've ever seen". Gail continues to keep Patsy's legacy alive, not only starring in various Patsy theatrical productions, but also producing and directing the show in venues across America.

Petty and Bliss combine their talents and share their respect for these two legends in an evening of music that will send you home aching for more!

*Country Royalty* will tug your heart strings with hits like, "I'm So Lonesome I Could Cry," "Sweet Dreams," "Your Cheatin' Heart," and "Crazy." You'll hear the stories behind the songs, like what inspired Williams to write his hit, "Hey, Good Lookin'" or why Cline audibly cries in her recording of "Faded Love." The show features a full set and costumes that will take you back to the Opry, and audiences are sure to be dazzled by the incredible Classic Nashville Roadshow Band. *Country Royalty* is a genuine musical tribute that honors country music's nobility, Hank Williams and Patsy Cline.
